

# Pre School-Schedule of Fees April 2026

## 30 Funded hours – Three- and four-year-olds

A further 570 hours of extended entitlement childcare is available for eligible families. The eligibility criteria for this are available on the government website. It is the parent's responsibility to check their eligibility through HMRC and they must provide us with an eligibility code for checking with the Local Authority before being able to take up the extended offer. Please ensure you leave enough time to provide us with this. Please see our Admissions Policy for further information.

When you choose to attend either of the all year-round sessions your total funding entitlement will be accounted for on your invoice and shown as the number of hours. This equates to your 'free entitlement' from the government, and the balance relates to the Additional Service charges.
