Tax Free' Childcare Accounts and Best Start in Life Website.

Working parents of children aged under 12 can use Tax-Free Childcare, through the childcare service account, to pay for registered childcare. The Government will top up the money that parents pay into the account. Details of the eligibility criteria for Tax-Free Childcare and all other Government offers available to parents and carers are detailed on the Best Start in Life website. This website offers you the opportunity to compare what is best for your family <https://beststartinlife.gov.uk/>

Sunny Days Children's Nursery are registered to accept Tax-Free Childcare payments through the HMRC online facility. It is still the parent's responsibility to ensure payments reach us on time i.e. 1st of every month.

Any parent using the fully flexible funded options can book emergency extra sessions if there are spaces available. However this is for one off ad hoc request. Any parents booking regular extra sessions will be offered the opportunity to add these sessions to their booking pattern or will be charged an additional 20% on each session.

Parents on funded only sessions are not able to book additional sessions on a regular basis, again emergency extra sessions will be available to book with an additional charge of 20% and must be paid for in advance.
